We Have Podcasts

Jennifer Polanz

Did you know we have a podcast series? CEA is just one topic covered in the Tech On Demand podcasts brought to you by *GrowerTalks* and hosted by Bill Calkins. Right before the end of 2023, Bill recorded his 100th pod, which means you have a lot of listening to do! You can subscribe to Tech On Demand anywhere you get your favorite podcasts, including apps like Apple, Spotify, Google, Audacy and more. If we could recommend a specific one to

start with, check out the interview with [Sollum's Rose Séguin and Michael Hanan](#) on dynamic lighting.
